Since CMAT has been conducted in two shifts , raw marks obtained by the candidates in different shifts / sessions have been converted to NTA score (percentile)

The NTA scores of a Candidate have been calculated as follows:

$100 \times \frac{\text{Number of candidates appeared in the 'Session' with raw score EQUAL TO OR LESS than the candidate}}{\text{Total number of the candidates appeared in the 'Session'}}$

Total number of the candidates appeared in the 'Session'

NTA score is not the same as percentage of marks obtained.

In order to make the examination system transparent, the Question Paper and recorded responses along with the Answer key were displayed on the website for verification by examinees. After verification by the Subject Experts, the Revised Answer Key were published on the website.

The Candidates were given an opportunity to see their Question Paper with recorded/marked responses and to challenge the Provisional Answer Keys from **31st January, 2025 to 2nd February, 2025**. Challenges received online were placed before the concerned Subject Experts for verification. The result was prepared based on the Final Answer Keys and the same has been declared on the website <https://exams.nta.ac.in/CMAT/>

The entire examination for both shifts was conducted smoothly and successfully. For any clarification regarding the result, candidates can get in touch with the NTA Helpdesk at 011- 40759000/69227700 or write to NTA at cmat@nta.ac.in.

NTA thanks all the Central Government Agencies, State and District Authorities, various examination functionaries and the candidates for the support extended during the successful conduct of the prestigious CMAT 2025 exam.
