The NTA is committed to providing candidates with the best possible experience during the CUET (UG) - 2024 examination. Comprehensive arrangements have been made at the examination Centres to assist candidates, including the establishment of help desks, availability of various facilities, and special provisions for those who could not appear for the examination due to changes in the examination Centres or problems in downloading the Admit Cards.

Now, the CBT (Computer-Based Test) mode examination for remaining **48** subjects (**31** languages and **17** domain specific subjects) will be conducted on **21, 22, and 24 May 2024** in more than **600 examination Centres** located in **about 300 cities across the Country and abroad**. The Admit Cards to the concerned candidates for the same has already been issued.

The offline mode of the exam witnessed a high turnout of candidates, with a significant portion appearing for the English and General Test. The NTA ensured strict adherence to examination guidelines and protocols to maintain the integrity of the testing process.

The National Testing Agency (NTA) successfully conducted **Day 4 (18 May 2024)** of the CUET (UG) - 2024 exam. Minor challenges were efficiently addressed, ensuring a smooth examination process and a fair and secure environment for all test-takers.

The NTA remains committed to conducting the CUET (UG) - 2024 in a transparent and fair manner. We encourage candidates to download their revised Admit Cards (if applicable) for upcoming exam days and arrive at their exam Centres well in advance
