The responsibility of NTA is to conduct the examination and declare the result based on the eligibility criteria provided by NMC. The candidates submitted their category as per the National Category List and based on the same the result has been declared. The **NTA has provided All India Rank to the candidates and the admitting Authorities will draw a merit list based on All India Rank for the seats of MBBS/BDS falling under their jurisdiction.** When candidates apply to their State, they will mention their category as per the State Category List. State Counselling Authorities will accordingly make their Merit List. The same is the case with the domicile. The NTA has no role in it.

examination centres from the Control Room located in the NTA premises of New Delhi. Recording of CCTV Systems was also done.

- The examination centres were also monitored using AI-based Video Analytics and Virtual Observers.
- In order to stop cheating using mobile networks, Jammers were installed in all the Centres to prevent unfair practices by the candidates during the examination through mobile or any other electronic device. **The latest 5G Jammers** were installed at all examination Centres for the first time.
- NTA has implemented rigorous measures **to deter malpractices and ensure the examination's fairness, such as multistage verification, biometric authentication, EKYC, and frisking of the candidates, the invigilation staff, and any other associated functionaries.** Wherever there were reports of malpractices, strict action was taken up by the NTA including UFM Committee recommendations of **debaring the candidates for 01 year, 02 years, or 03 years.**
- The grievances of the candidates have also been addressed.
- The **AI tools** were deployed to ascertain the identity of candidates through cross-verifying the photo on the **Admit Card with the live photograph of the candidate** that was taken at the examination center, mandatory frisking, EKYC, etc. The NTA used AI-based analytical tools to identify suspicious activity during the exam. This involved analyzing exam centre activities or even reviewing CCTV footage after the exam to flag potential cheating.
- The surprise visits by flying squads to oversee the examination, deployment of full-time Observers, utilization of AI tools to identify discrepancies in candidates' application details, and matching of their biometrics and particulars remotely through AI and also by physical thorough invigilation supervision, have been made to be put in place

The NTA took various steps to ensure candidates were facilitated at every stage of the examination. The following initiatives were taken by the NTA for the smooth conduct of the examination:

- *The NTA implemented advanced, secure online systems for registration, application, and result processing. This ensured a smooth and efficient operation, significantly reducing the time and effort required by candidates and administrators alike. A robust cybersecurity framework was also put in place to safeguard candidate data and examination integrity.*
- *The candidates were randomly allotted by the computer. More than 99% of candidates got their first choice of examination Centre.*
- *Examination centres were expanded in rural and remote areas to provide better access to candidates across the country.*
- *AADHAAR Authentication was done at all examination Centres.*

- *Enhanced security measures were implemented to prevent cheating and ensure the integrity of the examination.*
- *Based on a post-examination analysis of candidate responses, observational data, and interesting statistical approaches, question-attempting logs were analyzed to identify suspicious similarities between submitted responses. Subsequently, the examination logs, behaviour, and CCTV recordings of candidates with suspicious similarities were examined in more detail.*
- *A detailed plan was chalked out to execute the examination. Control Rooms for Strict vigilance and monitoring were set up at NTA, New Delhi. Live feeds from Cameras installed in each of the Exam rooms/Labs were closely monitored by Virtual Observers who generated real-time alerts.*
- *A big pool of functionaries was deployed by NTA to provide biometric, frisking, CCTV, and Jammer Services, besides NTA's Officers and its own Observers, Virtual Observers, and Flying Squads to facilitate the smooth conduct of the examination*
- *To minimize opportunities for cheating during exams, candidates were restricted from taking toilet breaks during the first hour and the last 30 minutes of the NEET (UG) - 2024. Furthermore, biometric attendance and frisking were conducted upon entering the exam hall, and again upon returning from a bio-break.*
- *Apart from the biometric attendance and frisking at entry, candidates were frisked, and biometric attendance was taken again on entry from the bio-break/toilets break.*
- *The PwD candidates were allotted to a PwD-friendly test Centre and extra organizational support was given to those candidates.*
- *For the centres outside India, close coordination was done with the Embassy of India / High Commission / Consulate General of India in those countries.*

The NEET (UG) being one of the most sensitive examinations, NTA made elaborate arrangements at various levels and took help from State Authorities for the smooth conduct of the examination.

To make the candidates and their parents aware of the rules and regulations of the examination, candidates were sent various e-mails on their registered e-mail numbers. SMS was also sent to all the candidates to download “**Important Advisory and Instructions to the candidates for NEET (UG) - 2024**” along with the Admit Card.

The candidate's particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online Application Form.

There have been cases of malpractice/impersonation where strict action has been taken on impersonators/candidates.

In addition to the above, NTA has also conducted post-exam data analysis, to detect cases of Unfair Means (UFM). Action on UFM cases is taken as per extant rules, which include cancellation of candidature and debarment from future examinations.

The NEET (UG) - 2024 saw record-high registrations this year, with over 24 lakh students registering, the highest ever, with over 10 lakh male students, and over 13 lakh female students. This increase was facilitated by opting for several smaller cities as centers, especially in the Northeast, hilly, and tribal areas.

Information regarding 15% All India Quota Seats:

The Directorate General of Health Services (DGHS), Government of India will conduct the Counselling for 15% of All India Quota Seats, Deemed Universities, Central Universities, Seats of ESIC and AFMC, BHU, and AMU.
